BRANDON JOHNSON

Brandon Johnson holds the Southwest basin seat on the DARCA Board. Brandon has lived in Southwest Colorado all his life which makes him the perfect fit for our Board as he brings a wealth of experience and knowledge to our team. Brandon started working in construction and served in both fire and EMS service. Currently, he is the General Manager of Montezuma Valley Irrigation Company and has been since 2013, but has worked for the company since 1998. Join us in welcoming Brandon to the DARCA family!
