BILL TOPIC: "Water Share Right Mutual Ditch Corporation" **DEADLINES:** Finalize by: JAN 14, 2021 File by: JAN 19, 2021

A BILL FOR AN ACT

101 CONCERNING THE USE OF A WATER RIGHT OBTAINED THROUGH A
102 MUTUAL DITCH CORPORATION.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

For a mutual ditch corporation, the bill creates a presumption, which may be changed by changing the corporation's articles of incorporation or bylaws, that the shares of stock owned by a stockholder in the corporation represent:

• The right to use the water rights appropriated or purchased by the corporation; and

 Corresponding rights to divert and deliver the stockholder's water rights through a ditch, canal, reservoir, or other works.

The bill also authorizes these water rights to be limited to a pro rata amount at times when shareholder demand exceeds available supply. A mutual ditch corporation may operate using traditional ditch operating practices.

The bill clarifies that:

- When a shareholder is not using some of or all of the available water under the shareholder's rights, the right to use the water rights does not include the right to prevent other stockholders from using any portion of the corporation's water rights; and
- The statutes covering ditch and reservoir companies do not prevent a stockholder from changing the use of the stockholder's shares or change the standards for water court approval to change a water right.

1 Be it enacted by the General Assembly of the State of Colorado: 2 **SECTION 1.** In Colorado Revised Statutes, 7-42-101, add (4) 3 and (5) as follows: 4 7-42-101.
